

## Radiate Like the Summer Sun with these Spa Experiences

📅 June 2, 2022

'Radiate like the summer sun' with this lineup of spa treatments and skincare routines that will keep your skin glowing all summer long!

### **Geneo Facial**

#### *Illuminate Facial*

Naturally keep the skin bright like the sunlight with Geneo Facial using highly effective Oxypod ingredients including naturally sourced vitamins, minerals, and antioxidants. Dubbed, "facial of the future", choose from five different 3-in-1 treatments to unwind and focus on nothing but pure relaxation. The five treatments available are: Balance, Revive, Illuminate, Hydrate and Detox. Using Vitamin C, the **Illuminate Facial** unifies skin tone and reduces hyperpigmentation with an Illuminate serum that uses boldo tree bark for its anti-inflammatory properties, along with coconut oil to moisturize and help reduce inflammation of the skin. To book - Geneo facials are offered in providers across the country, visit [here](#), enter your zip code, and find a provider nearest you to book directly.
